		Double entry	3400*6000	2600*2300

0.5	simple entry	3400*6000	2600*2300	4600*6550
	Double entry	3400*6000	2600*2300	4600*8708

1. How to order

- 1) Confirm the specification and drawing of the elevator.
- 2) sign a contract with the LSE;
- 3) Organized production after contract is confirmed and payment received.
- 4) After the products are finished, inform the customer about the delivery time and reserve the containers.
- 5) Arrange delivery and send documents to customer after shipment.
- 6) Follow up with the customer for after-sales service.

2. What is your delivery time?

Generally after 30 days of deposit arrival, but rush production is also available. As the world's largest and best China elevator and escalator, LSE supplier has the ability to support your projects in various ways.

3. What is the product warranty?

The warranty for the elevators is 18 months from the shipment of the elevators to the port of china.

4. Installation and commissioning

- 1) For factory installation, you will provide a complete set of installation manual.
- 2) For commissioning, the factory can provide remote guidance.
- 3) For special projects, the factory will send engineer site to help installation.
- 4) For all of our agents, LSE elevator welcomes you to send your technicians to our factory for training. LSE will cover accommodation and transportation in our city.

5. After-sales problems

Please provide us with the contract number, the factory can check the product specifications based on the code
